### III. CONTRACT ITEMS

Grant to provide utility assistance needs for customers in Memphis and Shelby County. The period covered by this Grant is July 1, 2007 through June 30, 2008.

### IV. ADDITIONAL INFORMATION RELEVANT TO APPROVAL OF THIS ITEM:

The Shelby County Community Services Agency assists over 6,000 individuals each year with utility assistance. Funds come from the Low Income Home Energy Assistance Program (LIHEAP) Federal funding passed through the State of Tennessee to the local program requires that these individuals meet rigorous federal criteria in order to qualify for assistance. There are times when citizens are in great need of help but do not meet the program criteria. For example, if a person seeking assistance is \$5.00 over the income limitation for LIHEAP Assistance, CSA cannot use federal funds to help. Oftentimes, when CSA is unable to help, citizens contact their local or state representative for assistance. This program will develop a utility assistance fund for special circumstances when regular funding cannot be used.

Administration recommends approval of this Resolution.
